

ANNA JOELLE PETRY

1606 Church St, Apt #1 | San Francisco, CA 94131 | 817-980-7715 | www.annapetry.com | hello@annapetry.com

SUMMARY

I'm a designer, maker, and freelance developer, integrating an eye for design with technical proficiency and meticulous attention to detail. With a background in product design, graphic design, and computer science, I'm pursuing a career at the intersection of the technical and the creative.

EMPLOYMENT HISTORY

Web Designer & Developer, Freelance

December 2013 — Present

Portland, OR | San Francisco, CA

- Consult with clients to understand their needs and deliver a product that aligns with their business objectives.
- Create wireframes and mockups of website designs to assess and fine-tune functionality and page layout.
- Use PHP, HTML/HTML5, CSS/CSS3, and jQuery to build interactive and responsive websites.
- Use Adobe Suite to produce and manipulate graphics and images, creating engaging web and print logos and banners.

Co-Founder, Designer, Fabricator, Arc & Ash

August 2012 — Present

Portland, OR

- Designed a line of elegant house and garden-wares, which are currently sold in more than 10 shops in the Portland metro area.
- Created and optimized production processes for each piece in order to increase efficiency, resulting in the manufacturing of 75-100 pieces every two days.
- Cultivated close working relationships with clients.
- Designed and maintained spreadsheets to track material and operation costs, person-hours for each production run, and gross revenue and profit per product.
- Business earned over \$4,000 dollars in gross margin in its first 5 months.

Craftsperson, Tanner Goods

June 2013 — December 2013

Portland, OR

- Involved in all aspects of product construction; cutting, assembling, sewing, and finishing high quality leather products.
- Worked seamlessly with team to coordinate various manufacturing processes, maintain an efficient workflow, and ensure production schedules are met.
- Experimented with design concepts for new leather products.

Baker, Bakery Bar

January 2013 — June 2013

Portland, OR

- Coordinated the preparation and baking of over one hundred scones and biscuits a day.
- Optimized the production of English Muffins, reducing required monthly labor by 24 hours.
- Collaborated with a team to provide excellent products and service to customers.

EDUCATION

Treehouse

December 2013 — Present

Portland, OR

- Completed self-paced HTML, CSS, JavaScript, and PHP tracks.

Portland State University

September 2008 — December 2012

Portland, OR

- Bachelors of Arts in Applied Linguistics with a Minor in Spanish, GPA 3.56.
- Lower division undergraduate Computer Science coursework.
